ADDITIONAL CORE COMPETENCIES

PROVIDED BY SIMCONA

We pride ourselves on our unique focus on **next level solutions**. Through constant collaboration and industry flexibility, we provide our customers with logistical answers on projects as well as procure piece parts for their applications. When it comes to making project deadlines and lead times, our customers are more at ease thanks to our additional core competencies. Utilizing our **50,000 square foot warehouse**, our customers have the option to stock inventory and receive it on an as needed basis.

SIMCONA'S ADDITIONAL CORE COMPETENCIES INCLUDE:

SIMCONA'S SUPPLIER SPOTLIGHT

BELDEN SENDING ALL THE RIGHT SIGNALS

DataTuff® Industrial Ethernet

Belden's DataTuff® Industrial Ethernet cables ensure the highest level of reliability, quality and performance. Built with Belden's patented bonded-pair technology, these cables guarantee signal transmission in even the harshest environments.

IDIS One Solution. One Company.

IDIS is a global security company that designs, develops, and manufactures surveillance solutions for a wide range of commercial and public sector markets.

IDIS SUPER FISHEYE 12MP/5MP IDIS DUAL SIDE DEWARPING SOLUTION On-Board Camera and Mobile Devices, Client PCs, or NVRs Without a PC

Hubbell Premise Wiring

Hubbell Premise Wiring is a global manufacturer of structured cabling systems, enclosures and accessories, providing intelligent infrastructure solutions that provide today's enterprise with a competitive edge.

PANDUIT®

Panduit is a manufacturer of physical, electrical and network infrastructure equipment for power, telecommunications, healthcare and transportation sectors.
